

Rotary Club of Greenport

2020

Field of Honor Flag Subscription

The Field of Honor Flag Project

The Field of Honor Flag Project is an annual event when the Rotary Club creates a large display of American Flags in Greenport's Mitchell Park. These displays occur five times a year as patriotic celebrations on Memorial Day, Flag Day, Independence Day, Labor Day and Veterans Day.

Your \$50 annual tax-deductible donation gives you the opportunity to participate in each of those celebrations while honoring someone special by dedicating a flag in his or her name. Along with your flag, the name of your honoree will also be displayed. Each flag is made in America, measures 5'x 3' and is flown on a 7' pole. Corporate and group donations are encouraged.

The proceeds of the Rotary Field of Honor Flag Project provide funds for a variety of health, humanitarian and youth service programs throughout the Greenport and North Fork communities and the world.
